

## ~ 2012 CUSTOM COLLECTION ~

### 1951 NOCASTER®

MODEL NUMBER: 151-0102-899 (NOS)

151-0302-899 (RELIC®)

THE RETURN OF THE FAMOUS “NOCASTER” IS MARKED HERE BY A SLIGHTLY MODIFIED VERSION. THE NOCASTER WAS A RESULT OF THREATENED LEGAL ACTION FROM THE GRETSCHE COMPANY OVER THE USE OF THE NAME ‘BROADCASTER”. GRETSCHE HAD A DRUM SET NAMED “BROADCASTER” AND TO AVOID THE CONFRONTATION, FENDER SIMPLY CUT OFF THE DECALS SO THAT THE ONLY READ “FENDER”. THESE PRIZED COLLECTABLES ARE SOME OF THE RAREST FENDERS IN EXISTENCE NUMBERED AT AROUND 475 TOTAL.

OUR 2012 VERSION FEATURES LARGER 6105 FRETS, 9.5 RADIUS, AND OUR NEWEST TWISTED TELE PICKUP SET DESIGNED BY OUR MASTER BUILDERS GIVING THIS GUITAR HISTORICAL SIGNIFICANCE, AND MODERN PERFORMANCE.
